

**2333 Morris Avenue • Suite A-204 • Union, NJ 07084**

## ***VISUAL SUPPORTS WORKSHOP***

### ***Is It Sometimes Difficult To Manage Your Child's Behavior?***

**Come Learn about Visual Supports and how it may help**

All Children can benefit in some way from the use of *visual strategies*. This method can be used for all children, typical, non-verbal or those with special needs. It may make a successful difference for you and your child at home, school, and in the community.

Come learn more about Visual Supports and different techniques that address behavior that is available to those who can benefit from this type of learning.

**June 8, 2010**

**6:30-8:30pm**

**Morris County (location to be announced)**

*Michelle Lockwood M.A. a Positive Behavior Support Specialist from the New Jersey Coalition of Inclusive Education will be the presenter. Michelle's focus is on counseling, psychology and cognitive behavioral therapy for children and adolescents.*

Please **RSVP** to Michele Puzio at [Michelled@njeis.org](mailto:Michelled@njeis.org) or call 908-964-5303
